

You can still say

Universidad de Oviedo

If you'd still like to apply for the 2018 University of Oviedo, Spain Summer Lab program, a few openings are available!

The intensive, five-week laboratory work experience program in chemical engineering unit operations will be held May 21 - June 22, 2018.

To apply, contact Professor Stephanie Loveland, prairie@iastate.edu, or Professor Karen Haman, haman@iastate.edu

Application deadline for remaining openings is February 15, 2018
