COE Signature Research Area (Check one only, most closely aligned)

<input type="checkbox"/> Advanced Materials & Manufacturing
<input type="checkbox"/> Engineering Education
<input type="checkbox"/> Resilient Infrastructures

<input type="checkbox"/> Engineered Medicine
<input type="checkbox"/> Energy Systems
<input type="checkbox"/> Secure Cyberspace & Autonomy

Evaluation Results

This student (check one):

_____ is making satisfactory progress toward the degree. Student will receive "A", "B" or "S" for Ch E 599/699.

_____ is not making satisfactory progress toward the degree and will be placed on probationary status.

- The student will receive "C" or "U" for Ch E 599/699.
- The student will submit a written self-assessment within one week of the date of this review to cbegradcommittee@iastate.edu and the major professor.
- The major professor will arrange a meeting with the student and DOGE to clarify expectations to return to satisfactory performance.
- The major professor will inform the DOGE and the Chair no later than 2 weeks prior than the end of the probationary term.

The results of the review were communicated to the student by a face-to-face meeting on

_____.

Signature of student

Date

Signature of major professor

Date

- Attachment of written review materials is optional for satisfactory evaluations.
- Unsatisfactory evaluations should be accompanied with a summary of deficiencies by the major professor.

Submit this form to Graduate Program Assistant, 2162 Sweeney Hall.
