BioMaP REU 2022

Biological Materials and Processes Research Experience for Undergraduates
Summer Research Experience for Undergraduate Students

May 31 - August 5, 2022

Stipend of $500 per week
Travel expenses paid up to $800
Food & housing allowance up to $2,500

Comments from past program participants:
“...I gained a lot of skills not only in lab procedures, but in experimental design.”
“The faculty and grad students are great. The campus is very beautiful and excellent for walking and biking.”
“I wasn’t sure about graduate school but this program gave me the confidence to know I can do it.”
