

Employment**Representative employers who recruit students with chemical engineering degree****BIOMEDICAL**

Boehringer Ingelheim Vetmedica, Inc.
 MU Biodesign & Innovation Program
 Orbis Biosciences, Inc.
 Saladax Biomedical

BIORENEWABLE

DuPont Industrial Biosciences
 Pacific Biodiesel
 POET Biorefining

CHEMICAL MANUFACTURING

A to Z Drying, Inc.
 Air Liquide USA LLC
 BASF Corporation
 Cabot Microelectronics Corp
 Cambrex Charles City, Inc.
 CF Industries
 Chevron Phillips Chemical Company
 Dow Chemical Company
 Dow Corning Corporation
 Ecolab, Inc.
 Hach Company
 Hydrite Chemical Company
 Kemin Industries, Inc.
 Magnaflux
 Newnagy
 Nutra-Flo Company
 Patriot Renewable Fuels, LLC
 Pure Oleochemicals, Inc.
 SABIC Innovative Plastics
 Sasol North America
 Valent Biosciences Corporation
 Valspar Corporation

CROP PRODUCTION

Cargill, Incorporated
 DuPont Pioneer
 Monsanto Company
 Syngenta

**ELECTRICAL EQUIPMENT, APPLIANCE,
AND COMPONENT MANUFACTURING**

Emerson Process Management Rosemount, Inc.
 Hutchinson Technology, Inc.
 Lee Company, The
 Micron Technology Inc.
 Polar Semiconductor, Inc.
 Rockwell Automation
 Sega Inc.
 SICK, Inc.
 U.S. Air Force

FABRICATED METAL PRODUCTS**MANUFACTURING**

API Heat Transfer | ThermaSys
 Chart Energy & Chemicals, Inc.
 Emerson Process Management, Fisher Controls
 International
 Jacobs Corporation
 Snap-On Incorporated
 Spectro Alloys

FOOD MANUFACTURING

Archer Daniels Midland Company
 ConAgra Foods, Inc.
 Corn Products International
 Feed Energy and FEC Solutions
 Frito-Lay, Inc.
 Genencor International
 General Mills
 Grain Processing Corporation
 Hormel Foods Corporation
 Kraft Foods Group, Inc.
 Land O'Lakes, Inc.
 Nestle Purina PetCare Company
 PepsiCo
 Roquette America, Inc.
 Schreiber Foods, Inc.
 Schwan Food Company, The
 Snyder's-Lance Inc.
 Tyson Foods, Inc.
 Wells Enterprises, Inc.

MACHINERY MANUFACTURING

Air Quality Engineering, Inc.
 Caterpillar Inc.
 Illinois Tool Works - Signode Engineered
 Products
 John Deere
 Lincoln Electric
 Lincoln Electric Company, The
 Nol-Tec Systems, Inc.
 WesTech Engineering, Inc.

MISCELLANEOUS MANUFACTURING

Bemis Company
 Boston Scientific Corporation
 Chemstar Products Co.
 Honeywell Federal Manufacturing &
 Technologies
 Parker Hannifin Corporation
 Polaris Industries
 Procter & Gamble

(continued)

(Miscellaneous Manufacturing, cont.)

Streck
Titan Tire Corporation
Trane, Inc / Ingersoll-Rand Company
Viracon

OIL AND GAS EXTRACTION

Bryan Research & Engineering, Inc.
Daniel Measurement and Control
Exxon Company
Halliburton
Koch Industries - Flint Hills Resources LLP

PAPER MANUFACTURING

3M
Appvion Inc
Bemis – Paper Packaging Division
Georgia Pacific
International Paper, Cedar River Mill

PETROLEUM AND COAL PRODUCTS MANUFACTURING

Flint Hills Resources, LP
Iowa Renewable Energy
LyondellBasell
Northern Tier Energy, LLC
Phillips 66 Company
Renewable Energy Group
Valero Services, Inc.

PLASTICS AND RUBBER PRODUCTS MANUFACTURING

Agri-Industrial Plastics
Bridgestone Commercial Solutions
Firestone Agricultural Tire
SRG Global, Inc.
Veyance Technologies, Inc.

PROFESSIONAL, SCIENTIFIC, AND TECHNICAL SERVICES

ACT, Inc.
Barr Engineering
Bloomberg
Burns & McDonnell
Cerner Corporation
Cree, Inc.
Darling Analytical Laboratories (DAL)
Emerson Process Management
Energy Control Technologies
Genencor, A Danisco Division
Integrated DNA Technologies, Inc.
Lake Superior Consulting
McDonnell Boehnen Hulbert & Berghoff LLP
Michaels Energy

Mid America Consultants, Inc.
MWH Americas, Inc.
NewLink Genetics
State Hygienic Laboratory at the University of
Iowa
Wolfe Laboratories, Inc.

UTILITIES

ABB Inc.
Alliant Energy Corporation
Cedar Rapids Utilities Dept., City of
Des Moines Water Works
Exelon Nuclear
Great River Energy
Kansas City Power & Light
MidAmerican Energy Company
Nebraska Public Power District
Nexant, Inc.
Omaha Public Power District
Westar Energy

WOOD PRODUCT MANUFACTURING

Andersen Corporation
CB&I
Pella Corporation
James Hardie Building Products

Recent ISU chemical engineering graduates (including the man pictured on the banner) are shown with their employers at an Iowa State University Engineering Career Fair. Two Career Fairs are held each year, in the fall and spring.
